

## Paper Lantern Instructions

1. Print the lantern template on white or colored paper (an 8.5x11 sheet.)
2. Fold your paper along the dotted line, with the vertical lines showing.
3. Cut slits along the vertical lines with scissors. Cut the top strip and save it for a handle.
4. Wrap the paper into a cylinder like this:

5. Use tape or staples to attach the strip of paper you saved for a handle.
